Renovations to proceed in new year

Renovations to the West Guilford Recreation Centre will go ahead as planned by the recreation committee, says chairman Carol Duncan.

The committee has applied to Wintario for a \$25,000 grant, which would enable the committee to enlarge the dancing facilities at the centre, formerly the village's elementary school, she said.

A report from Toronto engineer Bert Farago released last week revealed that extra steel beams will have to be added to the structure to meet safety standards.

The group hopes to begin construction on the project in January or February.

The centre now houses several activities on an ongoing basis. Besides the dances, a nursery school is conducted during the week, the local senior citizens organization has a room for their use, wedding receptions are held at the facility and meetings are conducted at the centre.

A dance is conducted at the centre once a month on a regular basis and attracts a full house of enthusiasts who enjoy country and western entertainment.

Students at Haliburton Highlands Senior Elementary School performed several Christmas skits at the school last Wednesday. 'The Littlest Angel' was among the

plays performed by the students to an audience of teachers, students and parents.

Guilford woman injured in mishap

A 22-year-old West Guilford resident, Kim Stamp, suffered minor injury in a single car mishap last Saturday at 2:45 p.m. on Highway 530 in the Camp Towhee area.

Provincial police at the Minden detachment report she was eastbound when she lost control of her vehicle, entered the south ditch and struck a rock face.

She was charged by police with failure to wear a seatbelt assembly.

Damage to the 1975 model car was estimated by police at \$3,000.

The mishap was investigated by provincial constable Bill Clendenning.

Damage was estimated at \$3,500 in a single vehicle accident December 19 at 2 p.m. on Highway 503, west of Tory Hill.

A truck driven by Grant D. Wallace, 20, of Eagle Lake, was eastbound when it skidded sideways. The metal cargo container was torn free from the frame and rolled over on the highway.

Provincial constable Mike Smith investigated the accident.

A 19-year-old Tory Hill resident, Richard A. Riel, was charged by provincial police at the Minden detachment with careless driving following a two-vehicle mishap last Sunday at 2 a.m. on Highway 519 at Sunnyside Street in Haliburton Village.

Riel was southbound when he turned east towards Sunnyside Street in front of a pick-up truck operated by Timothy R. Carroll, 27, of Thunder Bay, police said.

Damage to the Carroll vehicle was estimated at \$2,000 while the Riel car received \$1,000 damage.

The accident was investigated by provincial constable Dennis Potter.

Damage was estimated at \$1,400 in a two-car crash last Saturday at 2:30 p.m. on Highway 519 at Sunnyside Street in Haliburton Village area.

A westbound vehicle driven by Richard Van Nood, 17, of RR 2, Haliburton, collided on a curve on a hill with an eastbound car operated by Mark A. Anderson, 16, of Niagara Falls.

Both the Van Nood car and the Anderson vehicle received \$700 damage each.

Provincial constable Gary Chapman investigated the accident.

Damage was estimated at \$1,000 in a two-vehicle mishap last Thursday at 3:55 p.m. on Highway 121, just west of Haliburton.

A westbound vehicle driven by Morris A. Stamp, 53, of Haliburton, was being followed by a vehicle operated by Gerard L. Feltham, 50, of RR 1, Minden. Feltham began to pass Stamp and was struck by Stamp as he turned south towards a driveway, police said.

Damage to the Feltham car was estimated at \$1,000, while the Stamp dump truck received no damage.

Provincial constable Roy Telford investigated the mishap.

A 76-year-old RR 2, Haliburton man, Garnet G. Kellett escaped injury in a single car mishap last Friday at 2:30 p.m. on Highway 503, east of the Peterborough County Line.

Kellett was westbound when he lost control of his vehicle on a curve, entered the north ditch and collided with a rock cut.

Damage to the 1971 model car was estimated at \$850.

The accident was investigated by provincial constable Bob Wood.

Damage was estimated at \$650 in a single car accident last Thursday at 11:30 a.m. on Highway 121 in Monmouth Township.

A northbound vehicle operated by Vivienne P. Legge, 57, of Bancroft, went out of control on the highway and entered the east ditch.

Provincial constable Mike Smith investigated the mishap.

New FM station hearing re-scheduled to February

The Canadian Radio-television and Telecommunications Commission has re-scheduled the public hearing for a new FM station to serve Parry Sound, Muskoka and Haliburton. The hearing will be held in Peterborough beginning February 28, 1979.

CILK-FM president-elect Cyril Fry says the change in time and place of the hearing

will not materially effect the application or the company's plans to create the station.

The station, if licensed, will operate at 99.5 on the FM dial with a power of 100,000 watts. The transmitter site will be near Dwight and studios in the Utterson-Port Sydney area. Officially the CRTC has designated the station as being "near Huntsville".

The fire destroyed all the family's possessions and left them with only the clothes they were wearing.

"The response has been out of this world," remarked Bob Patton of RR 2, Minden, one of the individuals who helped re-locate the family of four.

In Ontario, he revealed, tourism is the province's

second largest export industry

and accounts for 11 per cent of Ontario's employment.

"Its uniquely labour-intensive nature makes it an extremely significant sector of our provincial economy, especially in times of high unemployment," Eakins said.

The Liberal Party formed a Task Force and met with people associated with the tourism industry in Ontario. The Task Force released its report earlier this year and it pointed out three main problems, over-regulation, taxation and a negative attitude towards tourists.

"If 14 ministries are going to be involved with the tourism sector, then they must be co-ordinated by a central focus," he said. "We have suggested a re-institution of a committee along the lines of the Legislative Committee on Natural Resources and Tourism that last met in

1970." It had provided the tourism sector with an opportunity to voice their opinions and being an all-party committee, the concerns of the opposition and the government would be heard, he explained.

"This committee could be comprised of the three parties and the various ministers who are involved with some aspect of the tourism sector," said Eakins. "And the chairman could be the minister or the director of tourism and in this way, the personnel making decisions on the tourism sector can be enlightened with respect to the effect that their decisions will have on the tourist operators."

He said his party would like to increase the awareness of all residents to the contribution of tourism to the economy and "we would like to start in the schools". We would like to see more young

Bank of Montreal branch seeks new quarters

Bank expected to re-locate in spring

Negotiations are nearing completion on the purchase of property owned by Marshall Leighton on Highland Street in Haliburton Village by the Bank of Montreal to re-locate its present branch, announced Dale G. Parker, Senior Vice-President of the Eastern and Northern Ontario Division of the Bank of Montreal today (Thursday).

In the early spring, he said, the bank proposes to demolish the building, formerly occupied by the IGA, and construct a new building for its Haliburton branch operation.

The bank is expected to construct a single storey structure on the 11,000-square-foot property. It would include parking facilities.

The old IGA building was closed last August when the store moved into its new quarters.

Haliburton Village branch manager Ron Hore said he is "joyful" with the move to new quarters because it will mean the branch can offer improved working conditions for its employees and better customer service.

The Haliburton branch has a staff of 18 employees and the present premises contains a total of 3,200 square feet of space on two floors, revealed Hore.

Telethon will
be broadcast
December 30

In Hollywood, Las Vegas, New York and Toronto Television's top stars have been working for months planning a big 21-hour television special that will bring together most of the top stars to entertain you.

Lois Harte-Maxwell, President of the Peterborough Rainbow Club, told us, "We've been working and planning for four months to have our Participation House project linked in with the Holiday Star Telethon. It's designed to earn money. The important part is that 85 per cent of the proceeds earned in the Peterborough district will be the beginning of a funding program to build a Participation House right here in our district. We need a building that can provide programs, services, facilities and housing for the disabled and handicapped men and women in the five counties around Peterborough."

The Telethon will be carried on Global December 30 and 31 and is a shared project of the Ontario Federation of the Cerebral Palsied and the Peterborough Rainbow Club.

Travel habits have drastically changed over the years and perhaps we are guilty of not recognizing this fact, he said. "At the rate that this industry (tourism) is growing globally," he explained, "it is predicted to be the number one industry in Canada in terms of income and export earnings as well as employment by the turn of the century."

In Ontario, he revealed, tourism is the province's

He said the branch will be moving to a computerized operation next October.

The Haliburton Village branch was established in the community in 1919 and was located in the building which

is now the location of Langdon's Hardware store.

Several years later, the branch moved its operation to a red brick building, located between the old IGA structure and the Red and White store. The building was

demolished this past year to make room for the new IGA structure and parking facilities for the store.

The branch moved to its present location, which was built by Bill Bouden in the 1950s.

The award is given to a branch which excels in growth and deposits for the years 1975 to 1978. Last year, the local branch won an award for deposit growth from July to October.

The Haliburton branch is

part of the Eastern 3 region, which encompasses all branches from Midland to Napanee.

With the award goes a trip to Freeport in the Bahamas for a week for branch manager Ron Hore and his wife, who will be leaving January 7 for their journey to the islands. It is Hore's first trip to the Bahamas.

He has been manager of the branch in Haliburton Village since June, 1974. He

started his career with the bank in Kitchener in 1957 and has worked in branches in Stratford, London, Exeter, Deep River, Ottawa, Orillia, Bobcaygeon and Belleville.

Besides the trip for the manager, who receives a ring as well, the award includes funds for the staff to have a party.

Hore and his wife have five children ranging in age from eight to 17 years.

Bank of Montreal branch manager Ron Hore received good news about his Haliburton Village branch. The bank is expected to relocate to new quarters next year and he won a trip to the Bahamas for a week for winning an 'Annual Award of Excellence'.

Planning needed in tourism

The provincial government is not addressing its expertise to the long range planning of tourism in Ontario, says Victoria-Haliburton MPP, John Eakins.

"Because I believe that without direction, without a goal to work toward, our efforts with the tourism sector are lost," he told members of the Standing Resources Development Committee in a speech at Queen's Park earlier this month.

The Task Force released its report earlier this year and it pointed out three main problems, over-regulation, taxation and a negative attitude towards tourists.

"If 14 ministries are going to be involved with the tourism sector, then they must be co-ordinated by a central focus," he said. "We have suggested a re-institution of a committee along the lines of the Legislative Committee on Natural Resources and Tourism that last met in

1978 budget that is \$77,085 greater than last year's budget. The total budget approved will see the County spend \$677,735 over the next year.

The Haliburton County Board of Education has approved a 1978 budget of \$4,628,531, up 7.9 per cent over last year's budget. But municipal levies to raise the part of that money not covered by government grants, will be up 12.7 per cent this year.

April
There are more people looking for jobs in Haliburton County than there are jobs available, according to J.G. Northgrave of the Manpower Outreach office in Haliburton Village and unless industries can be attracted to the County, she says, that situation isn't likely to change.

The IGA store in Haliburton Village will be moving to new quarters before the summer, if present plans are carried out.

Minden ratepayers last Thursday night gave the Minden Kinsmen Club the go-ahead to construct a Participak in the village.

For the second time in two years, the efforts of the Haliburton County and District Association for the Mentally Retarded to secure a group home in Haliburton Village have been frustrated, the committee disclosed this week.

Canadian National Railways wants to demolish the station at Haliburton Village, Dysart et al council has other plans for the building.

Haliburton County Roads Department employees have been working without a contract since December 31 and unless a settlement can be reached in the next three weeks, the County will probably lock the employees out, according to Harold Wrightman of the Canadian Union of

Public Employees (CUPE) in Peterborough.

Roy Bates, Haliburton County's own "Mr. Snowmobile", was elected president and chief executive officer of the Ontario Federation of Snowmobile Clubs at the group's annual convention in Barrie last weekend.

Haliburton County Council was less than pleased with the Haliburton Highlands Chamber of Commerce 1979 Lure Book when it was supplied to them at council's regular meeting last Wednesday. In fact, the councilors decided that unless a change was made in the book, the County's \$12,000 grant to the Chamber would be withheld.

David Logan, a lawyer and mayor of Lindsay since 1971, was chosen federal Liberal candidate for the riding of Victoria-Haliburton at a meeting of Lindsay's Academy Theatre Friday night.

An Ontario Municipal Board hearing into complaints about the 1977 Haliburton County Board of Education levies has decided that the levies did not represent "an undue burden on the ratepayers on any municipality" and that the levy apportionments will be upheld.

A school bus driver has the right to discipline unruly students on his bus in the same way that a teacher has the right in the classroom. This was one of the conclusions reached by Judge George F.W. Inrig in a recent judgement in Minden Provincial Court.

The dispute between Haliburton County and its road workers could go to mediation in the next few days, Negotiating Committee Chairman Murray Fearrey confirmed just before press time Tuesday.

The level of most lakes in Haliburton County is higher than it has been for many years and "the reason they are high is because of all the complaints we've had from cottagers in the area", according to Mac Ellis, water control technician for the Trent Severn Waterway System.

No progress has been made toward resolving the dispute between Haliburton County Council and its roads department employees, despite the fact that the two sides met with a mediator Thursday.

One hundred and sixty private sewage disposal systems on Paudash Lake in Cardiff Township were found to be "seriously sub-standard during inspections last summer according to a report released this week by the

Ontario Ministry of the Environment.

The dispute between Haliburton County and its roads department employees ended Thursday night when the union rank and file ratified an agreement hammered out by the County's negotiating committee and CUPE representative Harold Wrightman earlier in the evening.

Consolidation of social services in Haliburton County could result in cost savings, as well as improved social services for county residents,

construction of a 17-acre park in Gooderham at a cost of approximately \$200,000, was approved by Glamorgan Township council at a meeting last Monday.

An estimated crowd of 4,000 people attended the Haliburton Kinsmen Highland Home and Vacation Show over the weekend, according to Pat Kennedy, publicity chairman for the three-day event.

Both the Haliburton Highlands Chamber of Commerce and the Lake Kashagawiga-

mog Tourist Association are upset with the story on acid rain in Haliburton Lakes that appeared in the Toronto Star recently and at least one resort owner has gone so far as to suggest that area tourist operators should boycott the Star, saying it is advertising in it.

Napier Simpson Jr., an architect, nationally known specialist in historic site restoration and a member of Stanhope Township council, was killed in the crash of a light plane in Newfoundland.

The Red Cross Hospital nurses residence, opposite Dysart et al arena in Haliburton Village, will become a group home for the mentally retarded if the Red Cross Hospital Board accepts an offer to purchase the property drawn up by the Municipality.

Progress through unity

Haliburton County has made progress over the past 12 months and will continue to move ahead in the new year if residents work together in a united fashion for the betterment of the entire County.

When residents unite and work side by side to help each other, the County as a whole benefits. Most municipalities in the County have displayed signs of progress in the past year.

In Stanhope Township, an addition to the municipal office was completed in 1978.

A new arena was opened in Monmouth Township this year after the construction, which began in 1977, was completed last January.

Construction of a sanitary sewage system was completed in the Municipality of Anson, Hindon and Minden, along with the start of work on a senior citizens complex and the formation of a Minden Village merchants association.

In Glamorgan Township, council approved a park plan calling for the construction of a 17-acre park in Gooderham at a cost of \$200,000.

Plans got underway this year at West Guilford to upgrade the facilities at the community's recreation centre.

The second phase of the sanitary sewage system was completed in the Municipality of Dysart et al. New sidewalks were installed and old ones replaced during the past 12 months. A new addition to the Royal Canadian Legion Branch 129 was completed and opened in November.

A new museum was constructed at Glebe Park, along with a new curling facility and squash club. The old Canadian National Railway station in Haliburton Village was leased to the Haliburton Highlands Guild of Fine Arts for use as a new headquarters for the organization.

A Haliburton and District Lions Club was established and a senior citizens organization formed during the past 12 months. A start on the formation of a merchants association in Haliburton Village began with the forming of a steering committee to get the ball rolling.

Construction began last May on a senior citizens apartment complex.

If the individual municipalities of Haliburton County continue to grow, the County will progress.

The economic development study currently underway in the County will provide greater insight into the economic opportunities which exist. With the focus on forestry and tourism, the study will benefit present industries, such as lumbering, by providing information on the potential which exists in Haliburton County. It will help the tourist operators and business community as well.

The document will serve to enhance the future development and create new employment opportunities. Ministry of Treasury and Economics senior planner John Perry told members of County Council last week mining may be a remote possibility for development.

The study will also serve to enlighten the Federal Government to the need of the County for Department of Regional and Economic Expansion (DREE) funding. Members of council will be able to approach federal officials with documented evidence of their needs for DREE funds. Through the Regional Development Incentives Act, the Department is able to provide incentives to industry and business to invest in slow-growth areas and thus create improved opportunities for productive employment.

As we face a new year, residents of Haliburton County should follow the suggestion of newly-elected warden Jim Harrison who called for the residents to "unite" to further improve the County. "It is now even more important that we work as one," he said in his inaugural address. "I ask you to join with me in making Haliburton County number one."

Residents must end any petty bickering and unite for the good of the residents of the County, which will progress through a united front.

Progress can only be made through unity in Haliburton County. Over the 12 months, the County will continue to progress, but the rate of growth will be determined by the residents, who have the opportunity to work together in a unified fashion.

It is up to each and every individual in the County to work towards progress through unity.

Letters to the Editor

To the Editor:

Although I have not been in this community long, I just could not let the problem about the hospital go without saying a few words. I know my voice is not much by itself but maybe other people will feel the same way.

I wonder how many people took advantage of Police Week. Did everyone notice the amount of pins stuck in the map between Minden and Haliburton showing the amount of accidents.

If it means going the 14 miles to Haliburton, no thanks. I would sooner travel the 35 miles to Lindsay.

The staff at the hospital couldn't be better and as for the meals they are wholesome and nutritious. Minden is still in Haliburton County, isn't it?

Yours truly,
Mrs. B. Lickiss,
RR 1, Norland

To the Editor:

We would like to take this opportunity to commend the volunteer fire department of Galway-Cavendish Townships. Over and above their normal call of duty, of fighting fires, it is the extra services to the community that they provide called "getting-together."

Last year, they arranged a softball game held on Sundays. Anyone who showed up, wound up playing and The Echo recorded many of these get-togethers. This was followed by weekly Euchre games on Tuesday nights from November to April held in their fire hall. These were organized by Merv and Shirley Preston, and assisted by volunteers (sandwiches) and our merchants (prizes). There was a lot of work performed for this one night of getting together.

Fire Chief John Hickey and President Frank Franzen have mentioned they could use more volunteers in the department. This involves twice monthly meetings and, of course, fighting fires.

This is just a letter of appreciation to those who have extended their efforts in fighting fires and helping a spread-out community.

Yours truly,
Ken and Ida Young,
Crystal Pier Marina,
RR 1, Kinmount

Winter is here for good now the snow has fall aplenty. While it just may melt away again, there are grave doubts Old Man Winter will let go his foothold on the district.

Hints for winter driving, for car care and protection are available and worthy of practice.

Winter tires, gas line anti-freeze, snow shovels, salt, a little gravel in the truck, winter is a serious season of the year, one in which accidents happen so easy and so fast.

Every year, drivers leave their destinations without checking road and weather conditions. They get out on the highway to discover blizzards and blocked roads. And sometimes they get stuck in their cars over night.

These are situations all drivers must learn to deal with. They must know the dangers of driving without checking conditions and they must know how to deal with those conditions if confronted by them.

Carbon monoxide poisoning - a killer every winter. Lack of fuel. No snow tires. Or no shovel.

Even a simple candle can provide sufficient heat to save your life in your car if you are stuck under a drive over night.

Be prepared for winter.

Keep your car prepared for every contingency. Plan your driving, your trips, and above all, check road conditions before leaving your driveway.

Have a safe winter.

We are getting very close to saying goodbye to 1978 and are looking forward with anticipation to the new year of 1979. For many they voice the opinion that we are going into the new year with gloomy prospects. People are worried over the economic situation, some are out of work while others are wondering what the future holds in store. One thing that we must stop doing in the coming year and that is going around spreading gloom and doom. If this is what we want, this is what we are going to get. Premier Bill Davis of Ontario told us last year that the condition we think we are in is nothing but a state of mind. Prime Minister Pierre Trudeau tells us that if things are going to get better that we have to start living within our means. I personally think that we have to start to take a different outlook on life and tell ourselves that things are going to get better and I think that they will. It's really not up to the governments, it's up to us as Canadians to start to do something for ourselves for a change instead of always looking for assistance from the government. It's all fine and dandy to sit back and criticize our municipal, provincial and federal governments wondering why they can't come up with a solution to all of our problems. You can't tell me that they don't want to, but there are certain problems facing them that they just haven't got the answers for. It seems that in this fast moving world that before one problem is solved two more are on the horizon. We are the government and we are going to have to start taking our part in the game.

There is one problem and it's a big one that we must face in the coming year and that is that we have an energy crisis. It's not a myth, it's a fact and for all of you who watched the program on this topic on TV just last week you will know what I am talking about. Some people will say that it's just another scare tactic on the part of the government, we have nothing to worry about and if we hold on it will go away. This is wishful thinking and if we are to combat this problem we must start to assist the government in conserving energy. In other words we must start at home. I know that right in my own home; on several occasions I have noticed that the kitchen lights are on, all the lights in the living room are on, the hall lights, the bathroom lights and all the bedroom lights plus the outside lights. In other words, every room in the house is lit up like a Christmas tree. I am trying to impress on the members of my family to start turning these lights off when they are not needed. We must all start doing the same thing. Yes, it's a major problem and one that only we as individuals can solve. If we don't start to act on this problem the time won't be too far off we will have no lights to turn on.

The year that lies ahead isn't going to be an easy one and I hope that everyone will pray for our leaders such as Premier Bill Davis, Prime Minister Pierre Trudeau, our local MP Bill Scott, our local MPP, John Eakins and the reeves and councillors in every municipality in Haliburton County. The task that lies ahead for all of them isn't going to be an easy one and they are all going to need our support and prayers. Each and every day we hear of all of the depressing things that are happening but if you look around you will find that there are many wonderful things happening right here in Haliburton County.

What are we as individuals going to do in the New Year? Are we going to continue to gossip and spread false rumours about people, keep knocking them down instead of picking them up or are we going to start to spread some joy around in a world that needs something to laugh about once in a while. Let's all try to make it a point to put our time to better use by helping those people out who have problems, being friendlier to our neighbours and getting out to help in whatever way we can to make the community that we live in a better place in which to live.

Each and every year between Christmas and New Year's everyone starts talking about peace on earth and good will toward men. In past years it has been nothing but cheap talk or is the new year going to be the time that it becomes a reality. Let's hope and pray that all countries in the world will get together and that the talk of war will vanish and that we will all live in a world of brotherly love.

During the past year we have published fifty-two issues of the Haliburton County Echo and Minden Recorder. Most people take the paper for granted and never stop to realize that each week that putting out the paper is something that just doesn't happen; it takes the team work of the Publisher and all of the employees. To each one of my fellow employees here at the Echo, I want to take this opportunity to wish each and everyone of them and their families a happy and prosperous New Year. Also our best wishes to the boys at Muskoka Web at Bracebridge who do such a fine job each week of printing our paper.

As this will be my last column for 1978 I personally want to take the space that I have left to thank all the business people of Haliburton County for the support they have given me while on my rounds to pick up their advertisements for the paper. Without you there would be no paper. May I say that I have not only enjoyed doing business with you, but I have also enjoyed the many pleasant talks we have had together. I also want to take this opportunity to say thanks to all those people who have helped me out in one way or the other during the past year. I don't want to name names, just in case I leave someone's name out. I have needed help and it's sure nice to know that you, my friends, have given me great encouragement so that I have been able to carry on with my work. You don't know how much I appreciate it. Just recently I heard a speaker remark that if you can maintain a great sense of humour that you are going to make it. I have personally been blessed with a sense of humour and I hope that you have to.

I would like to join with my wife Helen, my children, Cathy, Wendy and Derek in wishing you all a Happy, Healthy and Prosperous New Year.

Editor's Notebook by Gord Lavoie

New Year's is a time of resolutions. It is an opportunity for individuals to make promises to themselves or others of future accomplishments which are supposed to be undertaken. It would be interesting if we all wrote down on a piece of paper what we resolve to do during the next 12 months. At the end of 1979, we could reflect on what we wrote and what we actually accomplished in the new year.

I remember vividly making resolutions in the past. I achieved several, attempted some and completely forgot about a few others. I can recall resolving to walk more places and then getting in my car and driving to the corner store for a quart of milk or a loaf of bread. I remember a friend of mine resolving to quit smoking only to return to the habit a month later after 30 days of not smoking. I recall individuals embarking on all forms of ideas to improve their physical fitness. I remember an acquaintance believing he could be more physically fit by only exercising for three minutes a day, when most advertising, whether government or

private enterprise, states you should exercise three times a week for at least an hour at a time.

New Year's resolutions are an interesting collection of possible accomplishments, which we all make and break. Resolutions can take on many forms. Losing weight, quitting smoking and stopping drinking are usually the three which top the list of every year around this time.

I have decided to keep my resolutions this year to as few as possible, probably one or two at the most. I will write them down on a piece of paper and keep handy to refer to occasionally to remind myself of what I resolved I would do.

Resolutions can be a form of enjoyment or they can take on serious tones. As we approach the new year, it is a time for past reflection and future consideration. I personally look forward to doing a better job of providing the patrons of our newspaper with a more improved product. I am happy with the accomplishments of the past four months and look forward to achieving more in the new year.

Pic of the Past

Who says that cross country skiing is coming into its own in Haliburton. It is only having a revival as these pictures taken in the late 1940s will testify.

Back in those days almost every Sunday morning during winter a group of young people would gather at Burke's Restaurant and take off for a day's skiing. Those were the days when there was a restaurant open on Sundays in Haliburton and the only type of skiing was cross country.

The group in the picture skied to Haliburton Lodge road, Mud Lake and Drag Lake, had lunch at Haliburton Lodge, skied on the hills back of the lodge for a while and then returned home by the Harburn Road.

The one picture shows some of the group taking a rest upon reaching Drag Lake while the other picture was taken on top of the hill back of Haliburton Lodge. Those in this picture are left to right - Glen Fearrey, Adrian Whitfield, Valerie Iles, Harold Austin, Bud Thayer, Dennis Griffin, Jane Chapman and Rod Sproats. Pictures taken and submitted by Don Johnston.

Thanks to Don Johnston of Haliburton for submitting these photos.

Confusion exists over sales tax: Scott

Bill Scott, MP Victoria-Haliburton reports that there has been a great deal of confusion regarding sales tax cuts as announced in the recent Federal budget. It will be recalled that Jean Chretien, Minister of Finance, included a reduction in the Federal sales tax from 12 to nine per cent in his recent budget presentation.

It would appear, however, that the Government thus far has refused to allow this reduction to apply to items already in stock prior to the announcement. Consequently, many retailers are finding that they would have almost been better off without the reduction, as retail sales have dropped sharply when customers find that in stock items are not eligible for the tax break.

The automobile industry is one aspect of the retail business which is suffering heavily and some area dealers report a sharp drop in sales since the sales tax announcement. Many customers, on finding that in stock items are not eligible, prefer to order a new car which although it may not be

delivered for some weeks is in fact eligible for the reduction and thus provides a saving of up to several hundred dollars.

It would appear that the Government has either miscalculated the economic impact of the reduction in excise tax or they are expecting the retailers and consumers to pay for the reduction. While everyone welcomes the tax reduction, the wisdom of making it at a time when inventories are at one of their highest levels seems hard to understand. Without a Mechanism to rebate tax paid in good faith, the bulk of the \$280-million loss in revenue will actually be paid by retailers or consumers. In effect, then there could be little actual loss in revenue to the Federal Government as a result of this tax break during the 1978-1979 fiscal year.

Actually, there is a precedent for a rebate of items in stock, as such a situation existed and was rectified in the 1958, 1961 and 1974 budgets. Opposition members have been pressing the Government for a clarification of this issue but as yet the Minister of Finance has not

resolved the matter and his colleague the Minister of National Revenue and Minister of State for Small Business has passed the matter over to the Finance Department.

This situation also exists in many other areas of the retail trade such as recreational vehicles and pleasure boats and equipment. Realizing that the amount of tax involved on many items would be insignificant, substantial sums are involved on larger items. Thus, a suggestion has been made that the Government consider a rebate on inventory items valued at over \$1,000 and on which the excise tax has previously been paid. In the meantime, retailers report a continuing slack period in consumer buying as a result of this confused situation.

"As you are well aware there has been a great deal of confusion and, indeed, it will be created among many retailers in respect to the 3 per cent reduction in sales tax," he said in his letter.

"I have been contacted by numerous automobile dealers and other businessmen who

have reported that, since the Budget announcement, sales have almost ceased as consumers prefer to order new vehicles and other items rather than take those in stock in order to achieve the tax reduction. This is causing a great deal of hardship to the dealers as it appears the only way for them to keep up sales is to absorb the reduction themselves, since they in fact have been forced to pay the full amount to the Government."

"Any fair minded individual must question the propri-

ety of having retailers and small businessmen subsidize the Government's program directly. Understandably, the Government gains the goodwill of this tax reduction, but for items in stock this is actually paid for by the distributor."

"Thus I would like to go on record personally as supporting my Party's position and requesting that on items of over \$1,000 in retail value, already in stock or in transit, that these items also be eligible for the tax reduction," he concluded.

Report from Queens Park

by MPP John Ekins

This week the Provincial Treasurer told the Legislature that the unemployment in this Province rose marginally from 6.1 to 6.6 per cent of the labour force between October and November. Latest unemployment figures show an overall increase, bringing the total unemployed to 312,000. This is despite the fact that Ontario was the only province to increase its work force during the period in question. The Treasurer described the rise in the number of unemployed as "regrettable", but entirely due to the increase in the work force. Figures show 154,000 new jobs were created in Ontario between November 1977 and last month, but due to the large number of people entering the work force, the seasonally adjusted unemployment rate is now at 7.3 per cent up 3 per cent over the previous month. The Treasurer said he expected to sign an agreement with Ottawa in the near future, which would cover heavily hit areas of Eastern Ontario and he promised a "complete package" of job creation measures to combat unemployment.

Liberal Leader Stuart Smith has urged the government to establish special arson squads to investigate fires such as that which killed three Etobicoke firemen at the Kimberley-Clark Paper Company. He believes that such squads are necessary because sophisticated arsonists appear to be at work, and therefore the government needs to take more sophisticated steps to track down the criminals. "The real problem is one of expertise", he said.

He pressed the Attorney-General to give a commitment to make an all-out concerted effort to deal with arson, and cited figures which show property damage resulting from known cases of arson in Canada in 1977 reached \$400 million, and about 150 lives were lost.

Beginning in January, single elderly people in this Province who receive guaranteed income supplements will get \$20 more a month. The Minister of Revenue also told the Legislature that elderly married couples who receive the supplement will receive \$10 extra month. The increase in the guaranteed-income level ensures that Ontario

residents who are 65 or older will benefit fully from recently announced federal payments. With effect January 1, the guaranteed income level will be \$343 a month for single people and \$666 a month for married couples, if both spouses qualify for the guaranteed income supplement. These increases will affect about 244,000 elderly residents of Ontario. An estimated 2,500 additional senior citizens who do not qualify for the federal pension and supplement will receive a monthly increase equivalent to the federal increase. The Minister said this will cost Ontario about \$600,000 a year.

Cardiff Township council endorse pornography ban

Cardiff Township council endorsed a letter received by the Town of Oakville from members of St. Dominic's parish asking for legislation to prevent and forbid pornography on news-stands and the practise of nudity in restaurants and bars.

At its inaugural meeting, December 12, council passed a bylaw to appoint officers and committee members for the year beginning December 1, 1978, and ending November 30, 1979.

Council approved a severance conditional upon a right of way being established in the conveyance of the severed property to allow access to the retained land as described in the severance application.

Members of council approved a severance conditional upon a right of way being established over the retained land described in the severance.

Another severance was ap-

proved by council, but approval of two other severances was postponed until the next meeting due to confusion arising from assessment of the entire property owned by Farquhar Lake Development Limited.

The balance of the clerk's vacation from December 21, 1978, to January 3, 1979, inclusive was approved by members of council.

Council appointed M.J. McAlpine as the Township's representative for the Crowe Valley Conservation Authority for the year December 2, 1978 to November 30, 1979.

Members of council approved a bylaw to borrow for current expenditures, a bylaw to write off taxes.

A general voucher of \$16,652.91 and a roads voucher of \$24,221.75 were approved for payment by members of council.

A \$5,000 Ontario Home Renewal loan application was approved by council.

Correction

It was incorrectly stated in a story about the approval of the curb and gutter project in Haliburton Village by the Ministry of Transportation and Communications in the

last issue that the project would include the removal of Hydro poles from the main street. It should have stated the project could include the removal of the poles. We apologize for the error.

Norland Notebook

by Barbara Maunder

There are some colourful, brightly lit evergreens around Norland that look so attractive at this time of year. Two of the largest ones are just south of the post office in the Horticultural Park and one tree is all green lights and the other is red lights. Roy and Rotha Bryant and their family spent a lot of time and trouble putting these lights on the trees and it is most unfortunate that a person or persons who had nothing better to do, removed the lights from the lower branches and left that area colourless. At last count 14 bulbs had been taken from the two trees - an unnecessary expense to purchase new ones to replace these. Wouldn't it be a lovely Christmas present, if whoever took them would return them to their rightful places?

With all of the snow in the Norland area, it was indeed a surprise to drive just west of Kirkfield on Tuesday, December 19, and find that except for a light skiff of the white stuff, the fields and roads were bare. Most Norlandians think that they will be having a green Christmas, but we would have to have a very sudden thaw for our snow to disappear before December 25. Perhaps with the thoughts of good skiing and snowmobiling, many outdoor sports enthusiasts from the "banana" belt will visit this part of the country during the holiday season.

Next time that you are driving on Highway 48, just north of railroad tracks at Brown Hill, look to your right and you may spot a herd of buffalo that is often there in a field. I had a trip to the west

coast about seven years ago and several times our tour guide tried to find buffalo to show to us, but he was never successful. Years later, I find that there are buffaloes not that far from home.

Kirk Magee was the man with the right seconds and won the Firemen's Hockey Pool on Saturday, December 16.

No Norland Bowling scores this week because our games were cancelled when it was feared that the freezing rain and inclement weather on Wednesday, December 20 would make for dangerous and slippery driving between here and Fenelon Falls.

The weather didn't daunt the enthusiasm and turnout for the Norland Public School Christmas concert on Wednesday night. The community hall was filled to overflow-

ing with happy and excited children and parents and everyone seemed to agree that the concert had been a great success. Thanks go to the Women's Institute members who supplied each child with candies and an orange. There will be a film for the school pupils on Friday, December 22, courtesy of the Ladies Auxiliary of the firemen. Indeed, a merry Christmas for all.

The Ladies Auxiliary invites all teens and twenties to the holiday dance on Friday, December 29 in the Norland Community Hall. The Coun-

County Echo Sports

A good year for sports in Haliburton County

In 1978, Haliburton County gained two rinks, a couple of championships and keen competition

A view of County sports in retrospect

February — Haliburton wins Carpentier, Neimann Pee Wee Tourney

March — A collision at the Glen Dart Memorial Tourney in Haliburton

August — Ladies arm-wrestling, Haliburton County Fair

January

The new Haliburton Curling Club opened and a new era of the sport began for Haliburton curlers.

The Haliburton Travelways Huskies, playing good hockey during the season, blew a 6-2 lead over Lakefield in the third period and allowed the visiting team to score four goals in the period to tie the game. It was a particularly embarrassing loss for the Huskies, since they were playing before one of the biggest crowds ever assembled at Dysart Arena.

A meeting of the executive of Haliburton Minor Hockey was held and plans were completed for the Lake Kashagawigamog Atom Tournament, which was to be held toward the latter part of the month.

The 19th Annual Skyline Spiel, with 32 rinks competing, was held and both 'A' and 'B' events were won by Oshawa teams.

February

More than 1,000 snowmobilers braved freezing temperatures and manoeuvred a 100-mile course to raise money for the Ontario Society for Crippled Children.

Members of the local figure skating club held their annual show at the Dysart Arena and was termed a success by its organizers.

As a result of a bitter dispute that arose between the Haliburton Beaconbrook Midgets, the Cannington team and the OMHA, the coach of the Haliburton team demanded the resignation of Ed Grimshaw, the OMHA convenor from Uxbridge, and the possible withdrawal of Haliburton from further OMHA affiliation.

Oshawa won the Lake Kashagawigamog Tourists Association's three-day Pee-wee tournament.

John Coneybeare won the five-kilometre Echo Cup snowmobile race held at Head Lake toward the end of February.

Residents of Monmouth Township marked the end of a year's effort of constructing the Monmouth Arena in Wilberforce after its completion on March 1.

Despite an extensive advertising campaign, only 10 machines attended the Lake

Kashagawigamog Tourists Association Snowmobile rally.

March

Following the opening of the Haliburton Squash Club early in the month, an open house was held and drew many perspective squash players.

Minor hockey teams in Minden and Haliburton were into their playoffs in early March and fared well in the finals.

The Haliburton Huskies dropped the first game of the league finals to Lakefield in a game that was marred with penalties.

The Haliburton Tri-County Pee-wees advanced to the finals by dumping the Minden team 2-1 in the series.

The Minden Juveniles advanced to the all Ontario OMHA finals after eliminating Havelock in seven games.

April

The Haliburton Huskies had their season come to an end when they lost a sudden death seventh and deciding final game to the Lakefield Chiefs by a narrow 9-7 margin.

The Minden Bantams evened their best of seven all Ontario finals at two each on the strength of a 11-1 drubbing and a narrow 5-4 victory in games played at the Minden Arena.

The Minden Juveniles were beat out by Lucan in four straight games in the OMHA Ontario finals.

Over 200 people turned out in the wee hours to welcome back to Minden the hometown Bantams who went down in OMHA annals as the 1977-78 Ontario Bantam 'D' champions.

A Toronto man emerged the champion at the end of a gruelling morning of squash at the first annual Rockcliffe Hotel Invitational Squash Tournament.

May

The annual spring dinner and dance of the Haliburton Curling Club was held at the PineStone Inn with more than 100 curlers attending.

On May 3, the Haliburton Highlands Secondary School held their track meet and gave the students the opportunity to compete on an even level with their peers. By the end of the day, six champions were declared and eight school records had been broken.

The H.H.S.S. Track and Field Team, led by triple winner Brian Mulholland, defended their Kawartha West title at I.E. Weldon High school in Lindsay.

The former Whitby Dunlops, the 1958 World Champions who defeated the Russians in international play, held a reunion and banquet at

the PineStone Inn during the May 24 weekend.

The Minden Recreation Committee wanted Minden area baseball teams to form an association that would be responsible for scheduling use of the ball diamond for the various teams involved.

June

Susan Kennedy and Larry Stinson were named girl, boy athletes of the year at the H.H.S.S. athletic banquet held at the Legion Hall.

The Haliburton County Ladies Softball season got underway on June 5 with two games being played.

Haliburton won the 'A' division of the Haliburton County field day. The competitors consisted of elementary school students from across the County.

July

Plans to operate a camp for girls, at a local lodge, through the Oshawa Gemini Gymnastics Club, were scrapped. Between 1,500 and 2,000 people showed up at the Harcourt Baseball Tournament to watch some fine industrial league baseball.

August

The Minden Seniors were the top team in the league as the regular season closed in Haliburton County Ladies Softball. The team finished the season with 19 wins and no losses.

The first annual Haliburton County Ladies Softball Tournament was held and drew teams from Oakwood, Little Britain, Carnarvon, Norland and Haliburton. Oakwood ended up winning the tourney.

Goederham came away the winners at the Wilberforce Ladies Softball Tournament held in late August.

September

A demolition derby was held in Kilmount during the Kilmount Fair with a Toronto man coming out as the winner.

Minden and Haliburton ladies battled for the County championship softball title, with Haliburton eventually coming away the winners.

Local hockey officials in Haliburton claimed that the mandatory use of safety equipment is causing an increase in rough play in minor hockey.

The Haliburton Highlands Secondary School Redmen kicked off their season in mid-September.

Rick Wood was announced as the Huskies coach for the upcoming season.

The 1978 Corduroy Enduro motocross race was held at Deer Lodge. Local Haliburton father and son team, Dave Dodd Sr. and Jr. captured several of the awards.

The Haliburton Redmen

won their first football game of the season, beating Brock High School 22-7.

Bowling season officially opened during the week of September 27.

October

The Highlands Squash Club held its first annual Fall Handicap tournament with 31 men and women participating.

The Haliburton Northernways Huskies got their training camp underway on October 20.

The Haliburton junior Redmen ended up winning all three of their games played during season play.

"They look good," was the comment coach Rock Wood made about the Huskies, while preparing for their upcoming season.

An international floor hockey tournament was held at the Haliburton Highlands Senior Elementary School with teams coming away from Battling Creek, Michi-

November

The Haliburton Huskies defeated both Bowdley and Madoc in their season openers.

The Haliburton Redmen captured the Kawartha 'A' championship in the final game against Lakefield College. The Redmen were in control of most of the game and won with a 22-7 victory.

The curling season officially opened in mid-November. The Haliburton Bantams opened the season with a big win over the visiting Manvers team by a score of 6-2.

A one-day bonspiel was held at the Haliburton Curling Club, with the Peterborough team coming away the winners.

An international floor hockey tournament was held at the Haliburton Highlands Senior Elementary School with teams coming away from Battling Creek, Michi-

gan to play.

December

The Madoc Junior 'D' team folded as a result of a loss of seven of their players to the OMHA. The players had apparently been illegally signed and played for the Madoc team without the OMHA's consent.

Sutton won the Hodgson Memorial Bantam Tournament held at the Dysart Arena in early December.

The Haliburton Cross-Country Ski Club appointed its executive for 1978-79.

Gravenhurst emerged the champions in the Yake Memorial Bantam Tournament held at Minden.

The Minden Curling Club came away the winners at the Ladies Provincial Playdowns curling match.

The Huskies won a come from behind victory against Bowdley, defeating the visiting team by a score of 6-4.

Along the Trails by Roy Bates

Last week in commending the Municipality of Monmouth in their work in developing the old railroad right of way and the wildcat trail for snowmobiling, I neglected to properly acknowledge the efforts of two clubs and certain individuals who made the trail connections with Harcourt and Wilberforce possible.

The Haliburton County Snowmobile Association had devoted a great deal of effort over several years to the re-opening of the Peterson Trail as an east-west corridor linking the central regions of Haliburton County with North Hastings and Madawaska. A trail was cut out linking the Village of Harcourt to the Peterson but most of that route had to be abandoned.

While negotiations with property owners continued for the re-routing of that trail, the Paudash Trail Blazers Club at Cardiff were busy pushing a trail north to link their system with Harcourt. Branches were established which also link in Wilberforce and Highland Grove, and this year a new trail will connect through Haliburton to Tory Hill.

Late last summer an agreement was reached with the landowners making the new route north to the Peterson possible. This was a joint effort between the HCSA and the Trail Blazers with a substantial amount of voluntary assistance from Bill Sith, the new owner of Elephant Lake Lodge. Bill was on hand to help search out the most logical route for the trail and also pitched in with the clearing of it. Since the coming of snow, he has been on the trail with his snowmobile packing the base for better grooming by the Paudash club.

In describing a suggested safari along these trails, last week, I remembered that snowmobiles need to be re-

fueled occasionally, but forgot to mention that their riders need to stop for food. You'll find an excellent dining room at Elephant Lake Lodge. It's a couple of miles off the main trail but the route is well marked and maintained by Bill and his family. And you can be assured of good food and a hearty welcome. Gas is available also.

Last week saw the start of a new grooming season. The

Ladies Thursday afternoon bowling scores

It was Evelyn Pickardson who rolled the high triple in Ladies Thursday afternoon Bowling. She came up with a 660, with singles of 252 and 213.

Other high triples were bowled by Jean Carr with 654 and singles of 254 and 216, Eva Piper with 653 and singles of 267 and 218, Pearl Foster with 646 and singles of 230 and 220, Joan Hatoski with 640 and singles of 238 and 220, Flo Henderson with 638 and singles of 268 and

232, and Iris Taylor with 613 and singles of 217 and 216.

Singles over 200 were bowled by Donna McDermott with 649, Vera Fader with 223, Susan Titus with 223, Mary Colman with 218, Susan Beers with 217, Audrey Fountain with 220, Debby Allin with 209, Lil Gorveatt with 202.

The team standings are as follows: Lil's Teddy Bears, 92 points, Susan's Sizzlers with 86 points, Iris's Super Sports with 72 points, Kay's Tigers

with 70 points, Joan's All Stars with 49 points and Eva's Terrors with 37 points.

The ladies enjoyed the Christmas party and dinner at Mr. Fogg's and if you read the high triples, you'll know who enjoyed the highballs. We wish all bowlers a very

Merry Christmas and more strikes in the New Year.

BRING A LUNCH

News from Extendicare

by Dr. W. O. Anderson

Your writer attended the wedding, Saturday, December 16 of his eldest grandson, Gregory to Kay Elgie, both of Peterborough at the Fellowship Christian Centre on Highway 28 north of that city. The church is a most imposing edifice having as a front an impressive main entry flanked on each side by four colonades. In a solemn entry, the attendants assembled at the altar, the matron of honour, the best man, the bridesmaids, the ushers and the two pastors, one of which was Pastor Kay of Newmarket, the bride's maternal grandpa.

About 10:15 a.m. Monday, we had a concert to ourselves, with Mrs. Betty Salvatori as pianist, Charles Plewman playing the harmonica and Mrs. Maude Weston as the lead singer. Many Christmas carols were sung. It was a nice diversion from our usual routine and we enjoyed it.

The Victoria Street School kindergarten began entertaining us in early afternoon to musical carols with pantomime, drill and dance routines to the expert direction of Mrs. Bonnie Walling. The piano was played by Mrs. Ruth Gorrie, school principal and assisted by a teacher, Mrs. Susan Fielding. It sure was a gala event and a pretty close runner up to the play school group with Mrs. Dickson that were here two weeks ago. Some sample children's carols were "Who is coming Christmas Eve", "Jingle Bells" and "We Wish You a Merry Christmas". Before leaving these tots presented each resident with a bag of goodies.

Monday evening, the Choral group of The School of Fine Arts came to give us a concert with Mrs. Marilyn Stouffer conducting. They are an enjoyable group, and were greatly appreciated for an evening of nice entertainment.

Tuesday morning the grade 3 class of Victoria Street Public School came to entertain us with a long list of carols in their sweet tender voices. "Away in a manger", "Frosty the snowman", "Joy to the world", "Rudolph the red nosed reindeer", "Come all ye faithful", "Silent night", "Santa Claus is coming to town", "Rump ba ba bump", "Jingle Bells", "Sing the Angels", "tra la la" and "We wish you a Merry Christmas" were all among the many songs they sang for us. We thank you Grade 3 children. Before leaving, each of us were given a Christmas card of their own design and make. These children were escorted by Mrs. Diane Hagerman and Mrs. Ruth Gorrie.

In the evening, the Salvation Army in Haliburton Village led by officer Mrs. Lorraine Barry sang carols and entertained us with tambourines. The three Pockett girls sang "Away in a manger" and the group sang "A little town of Bethlehem" and "Silent Night". Each of us were given a "War Cry" and a bag of fruits and candy.

Wednesday evening was our big day when we residents hob-nobbed with the elite, the staff and Extendicare friends, and sat down with them to a delicious Christmas turkey dinner with all the trimmings. It went even better with a little of our favourite wine. Finally the Christmas pudding with its favoured sauce topped this with coffee or tea. Then the staff assembled as a chorus to join with the residents in a genuine sing song with Mrs. Gerane Bonyun the lead singer. When time came for the 12 days of Christmas, the singing was not perfection but generated much hilarious fun. The pianist for this fun was Mrs. Margaret Angrave, R.N., one of our staff nurses for the evening, our reliable pianist without peer Ray Jenkins. After more fun and

the big banquet settled came the punch in a very beautiful cut glass bowl provided as a courtesy by Mrs. Darlene Darby our senior chef. Christmas cakes and many sorts of shortbread cookies were included. Meanwhile Santa (Jim Cooper) appeared and without ado handed out the many presents for all. It was a gorgeous party.

Lo and behold Thursday morning more of the Haliburton elite came to visit. The Victoria Street Public School grade 2 with the school principal Mrs. Ruth Gorrie, teacher Harry Thompson and a teacher pianist, Mrs. Marlene Welch to sing many of the Christmas carols they had practiced such as "Jingle Bells", "Silent Night" including a cute recitation and "Come all ye faithful" ending their singing with "We wish you a Merry Christmas". Before leaving they circulated among us shaking hands and wished each a Merry Christmas.

We are saddened by the news that Duncan Bethune one of our esteemed nonagenarians took his departure from us to reside in Extendicare, London, Ontario. We all wish him the best and are sorry that he is gone.

We welcome the admission of Garnet Holland of Haliburton. Already he is pretty well adjusted to his new life.

In the evening, the Full Gospel Businessmen's group with pastor Rosch and his wife, Julie, provided us with a melody of Christmas carols. Mrs. Sandy McBrien, Pastor Rosch's daughter was the pianist and Mrs. Eileen Tunall, the lead vocalist in this group. In the midst of this comes Santa (Vance English) with all his finery and a bag of goodies for each resident, taking the time to give each out and incidentally giving each lady a kiss. Wait until Mrs. Claus hears of this. We do not know why groups like these do so much for us and all we can do in return is to give a heartfelt "Thank you".

Rev. Don Nicholson was our spiritual leader for the devotional period Friday morning and Mrs. Flossie Burk was the pianist. The theme, "A Christmas Story", about the little boy who thought he could hide from Christmas but with a little patience and understanding he came out of hiding.

Hyland Crest News

Monday morning began with our usual 'Fun and Fitness Program', where we have a few minutes for a gabb session to start with and then exercising with the playing of football with six balls and a lot of fun connected.

In the afternoon, we began some new projects in our craft room.

Tuesday morning, devotion was led by Reverend Trevor Denny from the Anglican Church in Haliburton.

Santa gives a sincere Christmas greeting to a Hyland Crest resident. The jolly, old man took time out from his regular duties of the season to drop in to say hello and to hand out gifts last Thursday afternoon.

We have just been informed of the death of Mr. Thomas Nichols of Trenton. We extend our deepest sympathy to family and friends. He was well-known in our area as Uncle Tom from the cabin.

Chatting with Irene

by Irene Moore

To tell the truth, I'm not much of a one for New Year resolutions. They are too often broken. But here is resolution that's well worth keeping:

To leave the old with a burst of song.
To recall the right and forgive the wrong;
To forget the thing that binds you fast

To the vain regrets of the year that's past;
To dare go forth with a purpose true
To the unknown task of the year that's new;
To help your brother along the road,
To ease his work and lift his load;
To add your gift to the world's cheer,
To have and give a Good New Year.

I feel very funny writing this column now, for Christmas has not yet arrived; but do hope everyone had a lovely time with their families, for by the time you read it, "if you do", it will be over.

The Martha group of the U.C.W. held their Christmas party in the church with the hall decorated for the season. After the business was concluded, all the ladies enjoyed the carols and exchange of gifts. A delicious Christmas lunch was served by the hostesses. Please note the 1979 Martha group meetings will be held on the 2nd Monday of every month.

Mrs. Cora Hewitt is spending the holidays with her family in Toronto.

To those of you who had the flu bout, don't think you can get away with just one dose of it. I thought that but had to go back to the doctor, for I was sure I had pleurisy. It wasn't that, but the flu decided to come back and settled in my rib cage on the left side. Lucky I can use either hand as my left arm isn't much good right now. So, my friends, beware.

The Brydson family of Bracebridge, the Bird family and the William Moores spent Christmas with Mrs. Ben Harrison.

New Year punch - 2 qts. lime sherbet; 4 qts. carbonated beverage (soda or ginger ale). Chill beverage, pour over sherbet in punch bowl. Cut sherbet in pieces. Float slices of lemon and maras-

chino cherries on top. Yield - 30 punch servings.

January birthdays at Hyland Crest are Hugh McEachern on 2nd and Edward Earle on the 22nd.

The Tom Corbets and family of Ignace and the Bob Andersons and family of Kingston spent the festive season with the M. J. O'Neills.

Mr. and Mrs. M. Bunker were with their daughter in Stouffville for Christmas.

When I mentioned about the many new stamps being put out by the post office in 1979; I didn't tell you that in March the postage rate will go up to 17 cents for a first class letter. So be sure and get all your thank you notes off early in the new year and save yourself some money.

Mr. and Mrs. Alex Goden and Judy spent the Christmas holiday with Dr. and Mrs. Martin Pepper and daughter in Ottawa.

At this time we do well to reflect that, on the whole, we find what we are looking for.

Go through the year searching for bad news, and you will find enough to make you a rebel or a misery to live with.

Keep a sharp look out for other people's faults and failings, and you will soon have enough evidence to prove that the only sane person for 50 miles around is you. Think this is a thoroughly bad world - and if it makes you disgruntled and unfriendly, you have only yourself to blame.

But what a glorious opportunity you have now to be on the lookout for the good things of life, the sunshine, the friendly folk.

You will find them, and you will be a good company, folk will be glad to meet you and chat with you ...and you'll find life well worth living.

The Tom Parrishes and family of Willowdale and the Keith Kernohans and family spent Christmas with Mrs. Annie Kernohan.

Mr. and Mrs. Ray Rivers and family of Downsview were with the Arnold Coulters for Christmas.

Cheese Puffs - 1 cup grated cheddar cheese; 2 egg whites beaten stiff; Fold cheese into egg whites until well mixed, spread on crackers or little mounds of bread. Toast in 425° oven a few minutes.

(Watch carefully)

Mr. and Mrs. Blake Hughes and daughters of Mississauga spent the Christmas holiday with the Bob Hughes.

Reverend and Mrs. D. Miller spent Christmas Day with their family in Toronto.

Last Wednesday evening was a cold and stormy night, but 21 members and guests braved the weather for the Women's Institute Christmas Party at the United Church Hall. The president welcomed all and opened the meeting with a poem "Shepherds keeping watch". The roll call was answered by many Christmas verses.

The card convenor reported sending 17 get well and birthday cards, as well as 94 Christmas cards. The collection was then taken for the card fund and pennies for

friendship fund.

After the business and correspondence were finished, the meeting was closed. Carols were sung, gifts exchanged and the secret pal gifts brought many comments.

A very delicious Christmas lunch, served by the hostesses brought the happy evening to a close.

Let us each day of this new year; warm someone's heart; dry someone's tear; Let's think kind thoughts, and sing a song, the day when everything goes wrong. You feel my aim is ...but let us try. Perhaps it is ...but let us try.

This is the weekend when we all say goodbye to 1978 and hello to 1979, so have a good time, but be sure you are here when the new year arrives.

Happy New Year to all. Adios and take care now.

Ron Reid has expressed his heartfelt thanks to both the Minden and Stanhope Fire Department for their combined efforts on his behalf at the recent fire at his home. I went to see the family this week and Mrs. Reid said "It isn't a nice thing to have happen but the people of this community have put smiles back on our faces. If it had to happen, I'm glad it was in this community". They certainly appreciate any help given them.

And now a true Christmas story - Simon Reid spent some time playing with Garwood Thomas on Friday previous to the fire which destroyed all his toys. Early Sunday morning, Garwood was heard talking to himself in his room. Dad went to stand at the door to hear what was happening. Garwood was busy stuffing toys into a green garbage bag. On seeing his Dad, he announced that he would like to go to see them.

Haliburton Highlights by Creighton Feir

As we close out another year I think that it's time to reflect on just what happened in the Village of Haliburton over the past twelve months. The Village has seen many changes take place, some people have moved away while others have been welcomed into the community. It's been a year of progress in which almost all the things we have seen the completion of the second phase of the sanitary sewage system, a new curling arena and squash club, a new modern museum, new sidewalks, re-paving of many of the village roads, senior citizens apartments, new addition to the Royal Canadian Legion, more street lighting, the formation of a Lions Club, Senior Citizens Club and Businessmen's Association. We could go on and on, but we all must agree that Haliburton is on the move and the voters made it quite clear at the last municipal election that they were pleased with what has been done and want more when they returned the reeve, deputy-reeve and council with a mandate to carry on the good work. More projects are on the way for the new year, some have already been started while others are still in the planning stage. Everyone is looking forward with anticipation to the new proposed park in the Village on Head Lake. The new year will also bring with it a new highway into the Village complete with a new curb and gutter program.

The Rotary Club of Haliburton held their annual Christmas party at PineStone Inn last Thursday evening.

School is out and the festive season is providing many people with the opportunity to go snowmobiling, skate, play hockey and many skiers have headed for the ski slopes while others are taking advantage of the holidays of cross country skiing.

We wish to extend the best of luck to local councils and the school board as they will soon be taking on their duties for the next years.

Coboconk News by Sheila Lake

The Lions Club held their second annual sleigh ride. There were 125 on the ride, which is many more than last year. The ride began about 1:30 p.m., Sunday, December 17 and lasted until about 4 p.m. The horses and sleighs, complete with bells, were supplied by Grant Quinn, Earl Powell and George Shepherd Sr. The riders boarded the sleighs at the pump house or boat docks near the lake to begin their old fashioned journey. Carol singing and a colorful clown made the event a real Christmas atmosphere. Following the ride, that ended at the main building, the appetites, sharpened by the crisp, tingling, frosty air were satisfied by treats of hot dogs, hot chocolate, etc. by the Lions. Bags of candies were handed out to the children.

The Legion held their very successful Santa Claus parade on December 17. The parade which grows larger every year formed up at the feed mill, proceeded through the centre of town to the Legion Hall. The many floats were very good and a good crowd braved the winter cold to see the spectacular parade. As the parade dispersed, the Legion handed out bags of goodies to the children. An estimated 400 bags of goodies were packed for the occasion. The few bags that were left over were taken to the public school for distribution.

The Legion, and the Lions Club are holding New Year's

dances. Have you got your tickets for an evening of entertainment? Our New Year's evenings are quiet but if dancing is your "thing" then why not attend one of the local clubs?

This being the end of the year, I want to thank each and all who took the time to tell me of events happening in your club. These little items are what keeps your paper interesting. I read all the columns by the other writers even though I may not know many folks in that area. It's still interesting to learn how other areas function. Just this week, a writer sent me two weekly papers from the Peace River area of Alberta. One, the Post, I believe, is edited by an 18-year-old girl. I've passed the papers on to another avid newspaper reader and I'll send our paper out to Alberta. You see, newspapers are read widely.

The Royal Canadian Legion, Branch 519, Coboconk, Remembrance Day literary contest winners have been selected for category 2 (school grades 7, 8 and 9). For Poetry: Nadine Crookes - Coboconk Public School. Essays: Willie Schell - Coboconk Public School. His composition was also judged first at Zone F4 level and is now competing at district F.

Seasons greetings to you and yours!

Many of the residents at Extencicare/Haliburton were at home for the holidays celebrating Christmas with their families.

You know I was just thinking that if anyone needs a break in 1979 it has to be the sport fans from Toronto who back the Toronto Argos football team. They must be hoping that this will be the year that the Argos will go the Grey Cup.

You can take it with you and it's a good idea. What? A supply of minor bits and pieces that frequently break and stop you on the road. If you've got a fan belt, radiator hoses, points, plugs and fuses with you, any service station can install them and get you going. The Ontario Safety League reminds you that you won't always be able to get a special hose or belt readily on a weekend.

Now that a new year will soon be with us it is time for Haliburton residents to get out and support its sports teams. It is to be hoped that in 1979 more people will turn out to boost the minor hockey clubs and give the Haliburton Northernways Huskies the support they need if they are to make the play-offs and go on to better things. The Huskies although they are not leading the league are well up in the standings and are supplying their fans with some good exciting hockey action. Perhaps a few more cheering fans would put them over the hump and help the team to get into the playoffs. The Huskies have the ability to play good hockey and win some games but it certainly is a lot easier when the players feel the local fans are behind them.

The results of the Royal Canadian Legion Branch 129, Haliburton, Christmas Bingo Draw were as follows: 1st prize of \$50.00 - Curtis Rogers, Minden; 2nd prize of \$25.00 - Dick Burk, Haliburton; 3rd prize of \$10 - Joyce Woods, Haliburton.

try Rollers group from Lindsay will supply music for dancing starting at 8:30 p.m. Tickets are \$2 each and refreshments will be available.

Remember on Sunday, December 31, Coboconk charge of United Church will meet together for a joint service in Norland, United Church at 11 a.m.

At the service in Norland United Church on Sunday, December 17, the Poinsetta plants were placed there by Mrs. Stella Anderson who

now resides in the United States, in memory of her parents Mr. and Mrs. Jacob Newman, former members of the church. This is a lovely gesture that Mrs. Anderson makes each year at Christmas time and it is most appreciated and enjoyed by all of the congregation. After the service, about 50 Sunday School pupils, parents and friends enjoyed a pot luck lunch of sandwiches and cookies in the church hall. It was the first time that many had seen the new green wall-to-wall carpeting that was recently installed in the hall through

arrangements made by the U.C.W. The carpet has added a warmth and glow to this church room and enhances the panelling and curtains.

If your roll of scotch tape sticks and you can't find the end, try steaming it over a kettle spout for 10 to 20 seconds using tongs to rotate

it slowly. And don't forget to fold it over when you finish. A brand new year, the old is done. Another chance for everyone. New hopes, new dreams, are ours once more. The past becomes a closing door. We face ahead with heads held high.

New courage comes as days swing by. Whenever grief engulfs the heart, Somehow we smile with this new start. A brand new year, the old is done. Another chance for everyone. A very happy new year to all.

Christmas delights - A drive through town after dark to see what magic has been created by our neighbours with their artistic placement of coloured lights on houses, trees and shrubs. Not forgetting Pine Drive, where the home of Blake Barnes is always exceptionally spectacular.

Members of the Senior Citizen's Club gave a party for the school children in what might be described as the highlight of the Christmas season. The teachers are to be congratulated on the fine performances of the children who delighted a large audience with plays and singing. The musical numbers were accompanied by Bill Gliddon

at the piano. The senior citizen group had decorated a tree and every youngster received a bag of goodies from Santa Claus who arrived following the children's performance. This most happy blending of the age groups produced a wonderful feeling for everyone.

Members of the U.C.W. held their Christmas meeting on December 14 at the home of Terrace Barclay. They were joined by members of the Tory Hill U.C.W. Devotions were led by Mrs. Cleo Earle. A friendly social evening followed with games and carol singing directed by Mrs. Pat Jordans and Mrs. Patti Smith. During the evening

HCSA's two Bombs were out packing the trails and grooming a few sections. Work was hampered, however, by the presence of numerous fallen trees. The Petersons, for example, was in very bad shape having apparently been struck with a severe windstorm which uprooted trees and dumped them across the trail. At the week's end, the Haliburton Bomb crew had cleared as far east as Fourcorner Lake. Finding it in such a mess was, to say the least, somewhat disconcerting to Gord Brown after having worked hard to thoroughly clear it of obstructions during the summer.

South of Haliburton, the Gooderham Trail was opened by the Alpine operator (myself) but groomed only as far

as Koshlong Lake. The Tractor Road, Buckhorn Bridge to Donald, was also groomed, much of it double lamed. An attempt was made to open the trail to Gelett (from Donald) but at time of writing was not completed.

The Minden section of this trail requires a new bridge at South Lake.

In general, snowmobiling conditions may be classed as fair, but limited for the Christmas season.

NOTICE

IN THE MATTER OF THE ONTARIO HERITAGE ACT, 1974, S.O. CHAPTER 122 AND IN THE MATTER OF THE LANDS AND PREMISES KNOWN MUNICIPAL-
LY AS THE C.N.R. STATION, IN THE VILLAGE OF HALIBURTON, IN THE PROVINCE OF ONTARIO:

NOTICE OF INTENTION TO DESIGNATE

Take notice that the Council of the Corporation of the Municipality of Dysart et al on the 14th day of August, 1978, decided to designate the lands and buildings known Municipally as the C.N.R. Station as a property of historical value or interest under The Ontario Heritage Act, 1974, S.O. Chapter 122.

SHORT STATEMENT OF THE REASONS FOR THE PROPOSED DESIGNATION

The C.N.R. Station is recommended for designation for architectural and historical reasons. Constructed in 1878, this 100 year old structure stands as a monument to a bygone era when steam locomotives were the backbone of commerce and travel in Haliburton County. The station is also important as a well designed and well preserved wood frame structure of the late 19th Century. The building will be resurrected to take its place in the local history of the past century.

Notice of objection to the designation may be served on the Clerk within thirty days of December 13, 1978.

Dated at Haliburton this 13th day of December, 1978.

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER OF an application by the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde for approval to expropriate land being part of Lot 31, Concession VI in the Township of Dysart in the Provisional County of Haliburton, for the purpose of road improvements.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described as follows:

All and singular that certain parcel or tract of land situate lying and being part of Lot 31, Concession VI, in the Township of Dysart and being more particularly described as Part 1, Part 2, and Part 3 on the Expropriation Plan prepared by H. Curry Bishop, O.L.S. and dated October 17/1977 and available for inspection at the Dysart Municipal Office, Haliburton, Ontario.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The approving authority is the Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde, Maple Avenue, Haliburton, Ontario, K0M 1S0.

THE CORPORATION OF THE UNITED TOWNSHIPS OF DYSART, DUDLEY, HARCOURT, GUILFORD, HARBURN, BRUTON, HAVELOCK, EYRE AND CLYDE.

NOTES:

1. The Expropriations Act provides that, (a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200.00 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

THIS NOTICE first published on the 13th day of December, 1978.

ing a life membership pin was presented to Mrs. Elsie Earle by President Mrs. R. Hopwood. An exchange of gifts from the Christmas tree followed by a tasty lunch rounded out the evening. Closing prayer was by Mrs. Norma Noble.

Minor hockey is in full swing at the arena and at this time the peewees and novices have first place in their division. If you would enjoy watching a few games, you can see the atoms and peewees Monday nights, bantams and midgets Friday and novices at 1 p.m. every other Saturday. No charge for these games and the kids would love to have a cheering audience. There is a real need for referees. Why not call the club and offer your services. There are two girls playing on the atom team and doing very well too. Rhonda Walsh scored her first goal November 27 while they were playing Apsley and Kim Mumford is doing exceptionally well.

Minor hockey is sponsoring a New Year's dance at the

Lloyd Watson Memorial Centre. Cocktail hour at seven, buffet lunch at eight then dancing from nine to midnight to music provided by a disc jockey. Refreshments to be had during the evening.

The Legion is holding a dance New Year's eve at the Legion Hall. Commencing at nine until midnight with live music. Buffet lunch provided.
